Hoses are fabricated in-house. We supply a wide variety of hoses such as water, fire, suction / discharge, chemical, material handling and tank-truck hoses.

Jackhammer hoses are stocked in Pittsburgh in 50 ft lengths.

Urethane lined fittings for the fracking industry allow for a more abrasion resistant and longer lasting fitting at a lower cost.

Dixon Valve and Coupling distributor. Fittings and hose are stock in Pittsburgh.

Synflex hydraulic hoses crimped in house.

Custom built hoses are available upon request.
